

Remarks/Arguments

The office action provided April 15, 2004 sets a 30 day limit for complying with the sequence rules and a 3 month time limit for responding to the other comments presented by the examiner. The present amendment provides a Sequence Listing, amends the specification to provide sequence identifiers, and amends the claims to provide sequence identifiers. The present amendment is not a response to the other comments office action. Applicants will provide a separate response to the other comments.

The enclosed Sequence Listing provides a sequence for Asp-Glu-Val-Asp. Support for the sequence is provided in the application in the sections of the specification noted above in the Amendments to the Specification. No new matter is introduced into the Sequence Listing.

Please charge deposit account 13-2755 for fees due in connection with this amendment. If any time extensions are needed for the timely filing of the present amendment, Applicants petition for such extensions and authorize the charging of deposit account 13-2755 for the appropriate fees.

Respectfully submitted,
